FME USER CONFERENCE & CONTEST

SAFE SOFTWARE™

Due to COVID-19, the Safe Software FME UC has been rescheduled until 24-27 August 2021, Vancouver, Canada.

To go into the Safe Software draw to win 2 tickets* to the UC enter the social media contest:

- Upload a photo of yourself wearing the “FME lizard cooling eye mask” to Twitter. Check the Safe link below for details of how to access your virtual mask
- As part of your Tweet tell us your favourite activity to destress while FME is helping you solve data challenges
- Tag @SafeSoftware and #RelaxWithFME

More details: https://www.safe.com/worldtour/contest

* Excludes flights and accommodation
